BBQ and *Salads* are the next two titles in this practical and accessible series from the Murdoch Books Test Kitchen, featuring recipes that you can trust.

An invitation to a barbecue means it's time to enjoy good company and great food. From the traditional fare of steak and sausages to gourmet seafood, these recipes reveal the wonderful variety of dishes that can be cooked on a barbecue. *BBQ* is perfect for feeding the crowds this summer!

Salads might be an indispensable mealtime support act, but they are also worthy of a starring role in their own right. *Salads* draws on delicious flavours from around the world and uses fine, fresh produce, determining that salads will never again seem second best!

This series is a must-have for every cook, from novice to connoisseur. Designed for easy use, each recipe is written in a clear and concise style and is accompanied by a mouth-watering photograph of the finished dish.

Previous titles in this series from the Murdoch Books Test Kitchen include *Pasta, Cakes and Slices, Soups* and *Desserts*.
