Description

Cooking French focuses on classic recipes and basic techniques, covering a wide range of dishes for all kinds of occasions and for all levels of cooks. It gives a real taste of French cooking, with classics such as crepes and French onion soup, as well as regional specialities such as beef bourguignon and tarte tatin.

Along with the individual recipes, *Cooking French* also leads the reader through preparing the basics of French fare while special 'three ways with ...' spreads focus on recipe variations using a single ingredient such as cheese or eggs. Beautiful photography complements the recipes.
