## Description

*Handmade Style: Paper* presents 27 fresh, contemporary paper projects that have been selected for their unique style, beauty and innovation.

Step-by-step instructions teach you how to make your own paper, including embossed, embedded, laminated and other embellished papers, from recycled paper as well as from various plant fibres.

The creative projects explained in this book also show you how to make envelopes, cards, stationery folders, handbound books, framed paper artworks and wall-hangings. These can be made from your own handmade paper or from purchased paper products.

The projects range from the simple to the more complex and cater for craftmakers of all skill levels. Step-by-step photographs and clear directions make every design achievable.

## Sales Points

- Handmade paper is beautiful and personal and there is a great range of paper materials and accessories readily available
- Minimal skills and equipment required
- Beautiful photography and unique and contemporary designs make this a perfect gift for anyone interested in craft

## Author Profile
