## Description

Bill Granger's *Holiday* is a vibrant partner to the bestselling *Every Day*, with an exciting format of reportage style photography and featuring Bill's contemporary, stylish recipes and personal notes and stories. This is a book about laying down lifetime memories through food, taking time out to cook at leisure, relaxing weekends and lazy holidays. The recipes and atmosphere of this practical and beautiful cookbook are now captured in Bill's new TV series 'bills holiday'.

The recipes are divided into six beautiful, themed chapters: Outdoors, Barefoot, Harvest, Honeymoon, Fireside and Celebration. They flow from the most casual of outdoor summer dining or fireside suppers, to fabulous ideas for Christmas or parties. The food is inspired by Bill's own family occasions and interspersed with memories of his travels, personal celebrations and favourite places. The recipes are complemented with stunning food and location photography by internationally acclaimed food and lifestyle photographer Petrina Tinslay.
