Description

Sense of Style: Space is a 'how to' book with its own sense of style. Interior stylist Shannon Fricke presents the design tools needed to create home décor that reflects the owner's individuality.

Shannon's approach combines sensory awareness with practical skills and a basic grasp of design fundamentals in order to discover and apply an innate sense of individual style. Shot by leading interiors photographer Prue Ruscoe, *Sense of Style: Space* has a relaxed, eclectic visual style that is sophisticated yet accessible and engaging.

Sales Points

- *Sense of Style: Space* provides a combination of practical information with inspirational images and author design philosophy
- Stunning design and photography throughout

Author Profile

Shannon Fricke began her career in magazine publishing, working as beauty editor and style editor for several women's lifestyle magazines. Her focus shifted to interiors when she bought her first house and had her two children.

Shannon has since worked as a writer and stylist for publications including *Inside Out* and as an interiors stylist and presenter for The LifeStyle Channel program 'Home'. Shannon's first book *Sense of Style: Colour* was published by Murdoch Books in September 2006.
