Description

Complete Contemporary Craft: Textiles is a comprehensive resource book featuring five popular textile crafts — knitting, crochet, quilting, felt-making and weaving. This bumper book contains 70 beautiful projects for making a great variety of items, including clothing, homewares and accessories.

The basics of each separate craft are explained with clear, step-by-step photographs and detailed instructions. There are some projects featuring more advanced skills and many that are perfect for beginners.

The knitting projects include projects where you can learn how to make hats, scarves or a hot-water bottle cover. There are projects for crocheting a bath matt and mitt, a lace skirt or a drawstring bag, and or making a felt bag with a mobile phone pouch. There are 12 quilt projects and a wide range of weaving projects for bags, wraps and items for the house such as table mats and cushion covers.
